Railroads Trains	Adams, Kramer	1961	Logging railroads of the West	stacks	Available online. Hard cover book with lots of great photos. Includes Lumber Company on page 81. Includes the map of the west, specifically of Washington, Oregon, and California. This book and map are also available online on the specific logging line. What if the book is being reprinted in a hardcover format in which it includes no more than of the region. There are chapters covering the physical plant portion of things such as bridges, tracks, maintenance along with chapters covering more historical portions like common-purse open and the eventual demise of logging railroads. The book is packed with black and white photos, mostly 2-4 in every spread. At the end of some of the chapters there are 4 or 6 pages of just photos (each captioned as well if it is to be used as a book).	New York: Bonanza Books		ISBN 97807612727
